ANNUAL REPORT- 2025

KLES' International School was established on 15th June 2004 and operates under the recognition of the State Government (dated 24th May 2002) and affiliation from the Central Board of Secondary Education (CBSE Affiliation Number: 830229, School Code: 45210). The school has successfully graduated ten batches of Class X students and seven batches of Class XII students. Currently, the institution serves a diverse student body across all grades from pre-primary through senior secondary levels, supported by a dedicated team of teaching and non-teaching staff committed to providing quality education.

The school excels in a wide range of academic, co-curricular, and extracurricular activities. It fosters global collaboration through international exchange programs with The Rubekamp School, Bremen, and Friends School, Pennsylvania, and is a proud member of the PASCH network, a global initiative supported by the German Government. In line with its holistic approach, the school partners with reputed organizations like Shiamak Davar's troupe for dance, TENVIC (Anil Kumble's venture) for sports training, and Furtados School of Music for music education. These collaborations have contributed to the school's distinctive reputation in academics, sports, and culture. The school proudly holds **Finnish educational accreditation**, recognized globally for its emphasis on student well-being, individualized learning, and holistic development. This accreditation ensures our curriculum meets the highest international benchmarks, preparing students for universities and careers worldwide. The collaboration creates pathways for students to thrive in an interconnected global economy with confidence and competence.

The school infrastructure includes well-equipped classrooms, modern laboratories, sports facilities, and specialized activity rooms that facilitate comprehensive learning experiences for students pursuing both academic and co-curricular excellence.
